

The Skip Count Song
(to the tune of "Skip to my Lou")

Skip count, skip count, count by 2's
Skip count, skip count, count by 2's
Skip count, skip count, count by 2's
We can count to 20.

"2, 4, 6, 8, 10, 12, 14, 16, 18, 20!"

Skip count, skip count, count by 5's
Skip count, skip count, count by 5's
Skip count, skip count, count by 5's
We can count to 50.

"5, 10, 15, 20, 25, 30, 35, 40, 45, 50!"

Skip count, skip count, count by 10's
Skip count, skip count, count by 10's
Skip count, skip count, count by 10's
We can count to 100.

"10, 20, 30, 40, 50, 60, 70, 80, 90, 100!"
